INDEPENDENT AUDITORS' REPORT

To the City Council City of Haviland, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of City of Haviland, Kansas, as of and for the year ended December 31, 2012 and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1 to meet the financial reporting requirements of the State of Kansas. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the City of Haviland, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Haviland, Kansas as of December 31, 2012, or changes in financial position and cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of Haviland, Kansas as of December 31, 2012, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, and schedule of regulatory basis receipts and expenditures-agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The graphical analysis (Schedule 4 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the financial statement nor required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

CITY OF HAVILAND, KANSAS NOTES TO FINANCIAL STATEMENT December 31, 2012

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

City of Haviland, Kansas is a municipal corporation governed by an elected six-member council. A primary government is a legal entity or public politic and included all funds, organizations, institutions, agencies, departments, and offices that are not legally separate. Such legally separate entities are referred to as related municipal entities. City of Haviland, Kansas has no related municipal entities as of December 31, 2012.

B. REGULATORY BASIS FUND TYPES

General fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund - used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Business fund - funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.)

Agency fund - funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

C. BASIS OF ACCOUNTING

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has passed a charter ordinance that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

D. CASH AND INVESTMENTS

Cash balances from all funds are combined and invested to the extent available. Cash and investments consist of interest bearing checking accounts, money market accounts and certificates of deposit. Earnings from these investments are allocated to designated funds. Cash and investments are stated at cost.

E. COMPARATIVE DATA

Comparative totals for the prior year have been presented in the accompany individual fund financial schedules in order to provide an understanding of changes in the City's financial position and operation.

F. TOTAL COLUMNS (MEMORANDUM ONLY)

Total Columns on the Summary Statement of Receipts, Expenditures and Unencumbered Cash are captioned "Memorandum Only" to indicate that they are presented only to aid in financial analysis. Interfund eliminations have not been made in the aggregation of this data; and it is, therefore, not comparable to a consolidation.

G. AD VALOREM TAX REVENUE

The determination of assessed valuation and the collection of property taxes for all political subdivisions in the State of Kansas are the responsibility of the various counties. The County Appraiser annually determines assessed valuation and the County Clerk spreads the annual assessment on the tax rolls. One-half of the property taxes are due December 20 and distributed to the City by January 20. The second half is due May 10 and distributed to the City by June 5. The City Treasurer draws available funds from the County Treasurer at designated times throughout the year.

H. REIMBURSED EXPENSES

The City records reimbursable expenditures (or expense) in the fund that makes the disbursement and records reimbursements as revenue to the fund. For purposes of budgetary comparisons, the expenditures (or expenses) are properly offset by the reimbursements.

I. USE OF ESTIMATES

The preparation of financial statements on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Note 2 - BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather then mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments during the year.

Note 2 - BUDGETARY INFORMATION (Cont'd.)

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

Adjustment for Qualifying Budget Credits: Cities may use this line item for any budgeted fund. The adjustment would be a positive amount. All budget adjustments must be authorized by Kansas statutes. Examples include: expenditure of federal grant monies, reimbursements, gifts and donations and receipts authorized by law to be spent as if they were reimbursed expenses.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds and trust funds.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Note 3 - COMPLIANCE WITH KANSAS STATUTES

Management is aware of no statutory violations for the period covered by the audit.

Note 4 - DEPOSITS

K.S.A. 9-1401 established the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the bank to pledge securities for deposits in excess of FDIC Coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investments of idle funds to time deposits, open accounts, and certificates of deposit with the allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of Credit Risk: State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial Credit Risk - Deposits: Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance, bank guarantee bonds, or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" during the year. All deposits were legally secured at December 31, 2012.

Note 4 - DEPOSITS (Cont'd.)

At December 31, 2012 the City's carrying amount of deposits was \$557,506.41 and the bank balance was \$603,383.39. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$250,500.00 was covered by federal depository insurance, and \$352,883.39 was collateralized with securities held by the pledging financial institution's agents in the City's name.

Note 5 - LONG TERM DEBT

Changes in long-term liabilities for the Entity for the year ended December 31, 2012, were as follows:

	Interest	Date of	Amount of	Date of
Issue	Rates	Issue	 Issue	Final Maturity
General obligation bond:				
To be paid with tax levies:				
Series A - 1999	4.00 - 5.00%	4/1/1999	\$ 415,000.00	10/1/2014

Total Contractual Indebtedness

Compensated Absences

Total Long-Term Debt

Current maturities of long-term debt and interest for the next five years and in five year increments through maturity are as follows:

	1:	2/31/2013	1	2/31/2014		Total
PRINCIPAL: General Obligation Bonds	\$	35,000.00	\$	40,000.00	\$	75,000.00
TOTAL PRINCIPAL		35,000.00		40,000.00	_	75,000.00
INTEREST: General Obligation Bonds		3,750.00		2,000.00		5,750.00
TOTAL INTEREST		3,750.00		2,000.00		5,750.00
TOTAL PRINCIPAL & INTEREST	\$	38,750.00	\$	42,000.00	\$	80,750.00

 Balance Beginning of Year Additions		 Reductions / Payments	 Net Change	 Balance End of Year	 Interest Paid	
\$ 110,000.00	\$	0.00	\$ 35,000.00	 	\$ 75,000.00	\$ 5,500.00
110,000.00		0.00	35,000.00		75,000.00	5,500.00
 1,764.80	_		 	 (813.20)	 951.60	
\$ 111,764.80	\$	0.00	\$ 35,000.00	\$ (813.20)	\$ 75,951.60	\$ 5,500.00

Note 6 - INTERFUND TRANSFERS

Operating transfers were as follows:

From	То	Authority	_	Amount
Law Enforcement	General	K.S.A. 79-2985	\$	28,275.50

Dogulatory

Note 7 - OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Compensated Absences. Full-time employees will earn three weeks of vacation leave per year. Vacation leave will not be cumulative to the next year and upon retirement full-time employees will be compensated for any unused vacation leave. The potential liability for unused vacation leave as of December 31, 2012 and 2011 is \$951.60 and \$1,764.80, respectively, which is a net change of (\$813.20).

Full-time employees will also earn ten hours of sick leave per month accumulative up to 240 hours. Upon separation of employment full-time employees will not be compensated for any unused sick leave, therefore, there is no potential liability for unused sick leave as of December 31, 2012.

Note 8 - RISK MANAGEMENT

The City is exposed to various risks of losses related to torts; thefts of, damages to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City obtains coverage from commercial insurance companies in order to effectively manage risk. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years. The City does not participate in a public entity risk pool.

Note 9 - LEASE COMMITMENTS

Operating Leases

The City has entered into an operating lease for a copier which contain cancellation provisions and are subject to annual appropriations. For the reporting period, rent expenditures were \$992.90. These expenditures were made from the General Fund.

Note 10 - SUBSEQUENT EVENTS

The City has evaluated events subsequent to year end through May 10, 2013, and does not believe any events have occurred which effect the financial statements as presented.
